

## *Kansai University's 130th Anniversary*

Kansai University celebrates its 130th anniversary this year, and we consider this to be an important milestone. Amid our well-established history and traditions, we remain committed to timely and relevant educational and research endeavors that make us an indispensable institution in Japanese society and on the international stage. In accordance with our motto, "Building and extending our traditions into the future," we would like to express respect and gratitude to our forebears, and reaffirm our resolve to navigate the future with confidence based on the solid foundations that they laid.

# *Building and extending our traditions into the future*

Kansai University is a prestigious private university located in Osaka with 13 undergraduate programs, 13 graduate programs, 3 professional graduate schools, and a student body of 30,000 from Japan and around the world. Kansai University has 9 departments administered by 3 science and technology related faculties. We take pride in our advanced research and the quality of our education at all levels.
